Hi Randy,

The BLM has reviewed the draft Department of Interior economic reports for the eight BLM managed or co-managed National Monuments currently under review (Grand Canyon-Parashant, Grand Staircase-Escalante, Sonoran Desert, Ironwood Forest, Canyons of the Ancients, Carrizo Plain, Mojave Trails, and Vermilion Cliffs). Our suggested edits are compiled and provided in comments and track changes within the attachments. We also had some additional edits on the Bears Ears draft economic report which I've attached.

We really appreciate the opportunity to review and provide feedback on these reports,
